

**A Fallen Branch**

The strongest branch has fallen  
From our family tree.  
God had his way; He's taking me home,  
So you need not grieve for me.

For many years God carried me  
And kept me at my best.  
He strengthened me and kept me strong.  
For this we're truly blessed.

Hold strong to our family heritage.  
Keep living your life through God.  
Keep carrying on the traditions,  
The big ones and the small.

Remember all the good times,  
The happiness and the love.  
Think of me when you reminisce  
As I'll be smiling from above.

My mind's at ease, my soul has peace.  
My body's now at rest,  
For an angel came for me today  
And said God needs the best.

The serenity of going home is a miracle  
We all shall seek,  
So please don't think of me and cry  
With a tear upon your cheek.

I've lived and traveled long and hard  
To reach my journey's final end,  
So let's just say, "Goodbye for now."
